RE: Natural Rubber Latex

To Whom It May Concern:

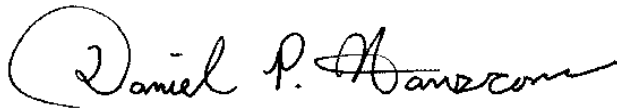

This is a Dymax Corporation notification to any customer using one of our UV and Visible Light Curing Adhesives, Coatings and Activator Curing Metal Bonding Adhesives. We are pleased to inform you we do not intentionally add or use at our facility either of the following per the regulations stated below:

FDA 21 CFR 801.437 & EU MDD/MEDDEV 2.5/9 Rev. 1

- Natural Rubber Latex
- Dry Natural Rubber

If you have any questions, please call me at 860-626-6341 or e-mail me at dhanscom@dymax.com.

Sincerely,

Daniel P. Hanscom, CSTM
Safety Manager
