

May 5, 2010

To Whom It May Concern:

This letter is to assure you that Dymax does not use any animal derived ingredients to produce our ultraviolet (UV) and visible light curing products, coatings and activator curing metal bonding adhesives. Therefore, we are not subject to the requirements within EMEA/410/01 Rev 2 or the MEDEV 2.11/1 guidelines.

If you have any questions, please call me at 860-626-6341 or e-mail me at dhanscom@dymax.com.

Sincerely,

Daniel P. Hanscom, CSTM
Safety Manager
