Rob Kleinschmidt Joins DYMAX as Sales Engineer

DYMAX Corporation, manufacturer of advanced light curing adhesives, coatings, and curing equipment, is pleased to announce the appointment of Rob Kleinschmidt as a Sales Engineer in the Field Sales Department. In his new position, Mr. Kleinschmidt will report directly to Ed Wienckowski, Regional Sales Manager, and he will play a key role in developing accounts and generating sales in the New England area and surrounding states.

Mr. Kleinschmidt comes to DYMAX with an impressive background in technical sales. He was also previously employed by DYMAX, spending many years in Applications Engineering and in the Medical Group. He received his BGS from the University of Connecticut with a minor in business.

DYMAX Corporation is a technology-based company specializing in the formulation, manufacture and service of advanced assembly adhesives, coatings, epoxies, masking resins, and UV curing systems.
