DYMAX Debuts Korean Website

[DYMAX Corporation](#), manufacturer of adhesives and light-curing equipment and headquartered in Torrington, CT, has launched a new website for their Korean location. For ease of use, the site – <http://www.dymax.co.kr> – has been configured to match the design and style of the corporate website, www.dymax.com.

Upon entering the website, visitors can find the newest product information and events featured in a rotating slideshow on the home page. Visitors will also find detailed web pages containing pertinent information on each product, downloadable selector guides and technical bulletins available in English, and even some application videos.

Currently featured products include conformal coatings and conveyor systems. The [conformal coatings](#) section features a selector chart with recommended products as well as their features and applications. Product Data Sheets (PDS) are available in English for immediate download. The product-specific pages in the [conveyor systems](#) section contain detailed equipment diagrams, pictures, helpful charts, and downloadable operations manuals.

Designed with expansion in mind, the site will broaden as DYMAX continues to grow in the coming years.

[DYMAX Corporation](http://www.dymax.com) is a leading technology-based company specializing in the formulation, manufacture, and service of advanced assembly [adhesives](#), [coatings](#), [epoxies](#), [masking resins](#), and [light-curing systems](#).

For more information, contact DYMAX Corp., 318 Industrial Lane, Torrington, CT 06790; Phone: 860-482-1010; Fax: 860-496-0608; Toll Free: 1-877-DYMAX-UV (1-877-396-2988); e-mail: info@dymax.com or visit our website at www.dymax.com.
