[Dymax Corporation](#) Received [Marcum Tech Top 40](#) Award

Torrington, Connecticut – September 30, 2016... On September 22nd The [Connecticut Technology Council](#) (CTC) and [Marcum LLP](#) announced [Dymax Corporation](#) has made the [Marcum Tech Top 40](#) (TT40) list of fastest growing technology companies in Connecticut. Dymax was honored alongside 39 other TT40 companies at an awards ceremony at the Oakdale Theatre in Wallingford.

For the fifth year in a row [Dymax](#) was recognized as a technology leader in the Advanced Manufacturing category. [Dymax](#) was a recipient of this award due to its strong revenue growth of at least \$3 million in annual revenue, as well as growth in each of the preceding four years. Steve LaCroce, Dymax President, accepted the award.

Dymax Corporation develops innovative oligomer, adhesive, coating, dispensing, and light-curing systems for applications in a wide range of markets. The company's products are perfectly matched to work seamlessly with each other, providing design engineers with tools to dramatically improve manufacturing efficiency and reduce costs. Major markets include aerospace, appliance, automotive, electronics, industrial, medical device, and metal finishing.
